

Art Room Policies

1. Gum, hard candy, snacks or larger foods are **NOT** permitted, but on special occasions they will be allowed if they're approved by the teacher.
2. Water is the only drink permitted in the room. Juice, soda, sport or energy drinks are not allowed.
3. Each student or group is responsible for their own work area. Each area needs to be clean and materials put away before the students leave the classroom each day.
4. Students need to be on time for class. Anyone not in the room at the start of class will be marked absent on Infinite Campus.
5. Music played in the room will need to be approved by the instructor. Individual music playing devices are not allowed.
6. Phones and any other personal items (bags) are to remain in your locker. Do not bring them to class.
7. When using machines or specific work stations follow the safety guidelines posted next to each area. Inappropriate use of materials and tools will result in disciplinary consequences.
8. Students need to clean and return individual tools to their storage space immediately after use.
9. Students are to remain in the room until dismissed by the teacher. Please do not congregate by the exit door if you're ready to leave before the end of class.
10. Working with a variety of mediums, tools, chemicals and materials naturally creates a potentially dangerous environment. A student not adhering to these policies, intentionally or otherwise, runs the risk of permanently being dismissed from the class.
